Meeting Resolutions:

The meeting commenced at 3:15 p.m. in the Principal's Chamber, attended by all departmental teachers, including the Principal. Following a focused and productive discussion on arranging a field survey for students of the department, the following resolutions were unanimously adopted:

Resolution 1:

The Department of Economics will organize a field-based survey for students to collect data for a Minor Research Project (MRP) titled "*Women's Participation in the Handloom Industry for Livelihood Sustenance in Hooghly and Nadia Districts of West Bengal: Socioeconomic Determinants and Entrepreneurial Pathways.*" This project, funded by the A.K. Dasgupta Centre for Planning and Development, Visva-Bharati (sponsored by NITI Aayog, Government of India), is led by Dr. Rupam Mukherjee as Principal Investigator and Sri Subhamoy Chatterjee as Co-Investigator. Dr. Rupam Mukherjee will use the project funds to cover the travel and food expenses for participating students, ensuring smooth execution without financial constraints for them.

Resolution 2:

To maximize the learning experience, willing students from other departments may participate in the survey, which will offer them valuable exposure to practical, real-life situations.
