- » **Overview:** Greetings, esteemed colleagues and scholars. I am Sunanda Ghoshal, currently serving as a State-Aided College Teacher in the Commerce Department at Kabi Sukanta Mahavidyalaya. Simultaneously, I am pursuing an M.Phil degree at the prestigious University of Kalyani, delving into advanced studies and research within the realm of my academic pursuits. My scholarly interests primarily revolve around social science literature, with a focus on social inequality and urban studies.

With an academic journey spanning over four years, my pedagogical efforts have been marked by a steadfast commitment to nurturing critical thinking and instilling a profound understanding of societal intricacies. I eagerly anticipate engaging in substantive discussions and catalyzing collaborative initiatives to propel our collective knowledge forward.

- » **Date of Appointment to the present job:** 08-07-2019
- » **Other Academic / Administrative post:** Anti-Ragging Committee
- » **Academic Background:** I completed my higher secondary education at the renowned Shyamnagar Balika Vidyalaya, where I was recognized for my academic excellence and active involvement in commerce-related extracurricular activities. Following this, I enrolled at Kalyani Mahavidyalaya, concentrating on accounting and finance during my pre-university studies.

Continuing my academic journey, I successfully garnered my Bachelor's degree in Commerce from Kalyani Mahavidyalaya, wherein I cultivated specialized proficiency in the domain of Accounting and Finance. I pursued my Master's degree in Commerce from the University of Kalyani, further advancing my academic journey after earning a Bachelor's degree from Kalyani Mahavidyalaya. During this period, I continued to actively engage in research projects, further honing my analytical skills.

Presently, I am deeply engaged in the intellectually stimulating atmosphere of an M.Phil program at the esteemed University of Kalyani. My research endeavours centre on unravelling the intricacies of social-economic dynamics and their implications in contemporary economic theories.
